

SHERMAN E. BURROUGHS HIGH SCHOOL

WELCOME TO THE 2017-18 SCHOOL YEAR

Back to School Information

PRINCIPAL'S GREETING

Greetings and welcome to the 2017-2018 school year. We are excited to get the school year started. As we prepare for the beginning of school, please visit our website (www.burroughs.ssusd.org) to access all "Back to School" information. Items which are posted to the website that should be reviewed include the Course Description Guide, Student Handbook, discipline policies, and other important information. Those items which will need to be filled out by parents will be sent home with your student on the first day of school (i.e. Emergency card, Open Campus Lunch, etc.). Included on the reverse of this page is the school calendar for the 2017-2018 school year for your convenience. This calendar includes our school bell schedules and the Late Start Wednesday schedule. PLEASE NOTE: the bell schedule has changed this year. **We will begin 10 minutes later than we have in the past.** The change was necessary to accommodate the addition of Murray Middle School and the additional traffic expected.

CONSTRUCTION: As many of you know, we are currently in the midst of a significant modernization project. There has been a tremendous amount of work accomplished this summer. However, there is much work yet to be accomplished. Consequently, the ongoing construction will impact some school activities as some facilities will not be completed before the start of school. We will provide ongoing and frequent updates on our website, via ParentSquare, and on our Facebook page. Please "tune in" to your preferred communication resource so that you receive up-to-date information.

Have a rewarding and productive school year!
