Electives		16	80
<u>Total</u>			230

California requires that all students pass one year of Algebra 1 to receive a diploma.

See the Burroughs High School Course Description Guide for a complete description of graduation requirements

Need additional help in a subject: If you are struggling with assignments or need additional help in a class, we encourage you to seek extra help from your teachers. You should check with your teachers regarding times they are available to offer additional help. Many teachers have designated time you can go see them to get the extra assistance you might need. Many teachers have lists of student tutors who are also available for a fee. The Academic Learning Lounge is open during lunch in room L38 if you need extra help.
Do not wait until it is too late, get extra help as soon as you begin to struggle.

Career and College Exploration : You should continue to explore your college and career goals. If you have not done so already, create an account on www.californiacolleges.edu/#/. It's FREE to create the account. They offer personality & interest assessments to match your results to potential careers, and then find majors and colleges in CA that offer those programs. Get help searching for scholarships and researching sample financial aid packages as well as exploring other options for paying for college.

Minimum College Admission Requirements for Cal State/UC (A-G)

- A. 2 years of history/social science (including one year of World History; and one year of US History or one-half year of US History and one-half year of American Government/Civics)
- B. 4 years of college prep English
- C. 3 years of college prep math (must include Algebra CP, Geometry CP, and Algebra 2 CP)
- D. 2 years of a lab science (must include two of the three: Biology, Chemistry, Physics)
- E. 2 years of the same foreign language
- F. 1 year of the same fine art such as Art1/2, Drama 1/2, Orchestra, Symphonic Band, Concert Choir
- G. 1 year of college prep elective (usually English, science, math, social studies, fine arts, or foreign language that are not used in the above requirements)

All grades for college admission requirements must be a C or better, a D or F is not recognized for college admission.

SAT Reasoning Test is required for both Cal State and UC. UC may require particular SAT Subject Area Tests to demonstrate proficiency in competitive majors.

Create an account on www.collegeboard.org for study resources and registration for the SAT's.

PSAT (Practice SAT) is recommended Fall of Junior year. PSAT administration occurs on site in the Fall of every school year. (Registration for this exam is at Burroughs.)

Please see BHS Course Description Guide, www2.calstate.edu/attend/admissions and www.universityofcalifornia.edu for a complete description of college entrance requirements.

Admission to California Community Colleges

All students planning to attend a two year college will need to take placement tests (English/Writing and Mathematics). The student should contact the school they are planning to attend.
